Dear Mosaic parents,

We are finally moving forward after a most unusual first half of 2020. We hope you had a restful summer and that your kids are happy to be in school with their friends and teachers.

We continue to support the school's ecosystem, and as much as we can (considering the current situation), we look forward to coming up with innovative ideas to foster growth of the Mosaic community.

Our annual **General Assembly** will take place on **Tuesday October 13 at noon by Zoom**. We look forward to hearing from many of you as we discuss the upcoming year activities. Grab your lunch and meet us on:

Contrary to tradition and due to the hygiene restrictions, there will be **no snack sales for the foreseeable future** and this year's **halloween trick-or-treat event has been cancelled**.

We are however looking forward to planning and participating in other ideas and we are **focusing more on our building community** this school year.

This year we will be organizing...

### Morning Coffee Meetup:

Grab a coffee and join us for a morning meetup. We will be at the café facing Mosaic from 8:00 to 9:00 on **Fridays October 9th and 16th.**

*Do you have questions about school life, and / or Geneva life?*

*Are you interested in getting to know other Mosaic parents?*

This would be a nice way to meet and chat in a fun and friendly atmosphere.

We will announce future events after the Autumn break

**Parents café discussion:** A discussion on a topic of interest, this could include themes such as sleep training, healthy eating habits, or understanding the various diploma options in Geneva. We will bring-in expert advice on such topics and enjoy an engaging discussion around it. Thematic suggestions are welcome.

**Community Building Activities:** We are looking for volunteers to develop and lead some community building activities such as:

Book club

Hiking Club

Crafts or artwork clubs

Yoga

Other interests you can offer?

**Fundraising for Charities:** We hope to continue to organize our Christmas toy drives for the Geneva Red Cross, as well as work with other organizations and give back to the community and disadvantaged.

The end of the last school year finished with a bit of a blur. We are happy to share with you that the Parents Association was able to present all the teachers and staff with a token gift for their efforts and hard work throughout the year and especially during the confinement. The gift was natural soap home-made by yours truly, the MPA committee.

Look forward to a great 2020-21 school year!
